Our Mindset

*Favouring
emergence
and supporting
growth
with a whole
range of levers*

A Strong Support Ecosystem

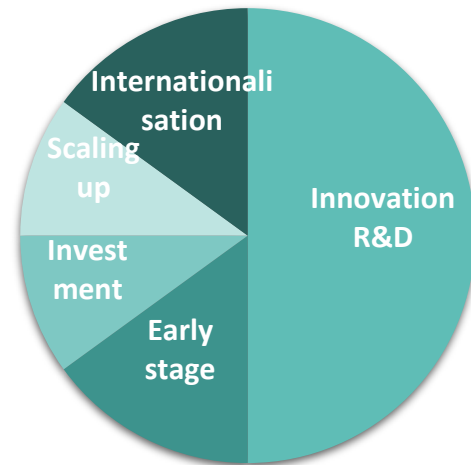

| | |
|-------------------|---|
| Technopoles | ● |
| Incubateurs | ● |
| Accélérateurs | ● |
| Pépinières | ● |
| Pôles et Clusters | ● |

Regional Funding

We support projects that have

- A genuine **innovation** with added value
- A real **potential** for development
- A business model **requiring support** in order to de-risk
- A positive **impact on the territory**
- A concern for current challenges related to **climate change, environment and society**
- A link with **strategic priorities** for the Region

≈ 50 startups / year

Average 100 000€ / project

+80% projects with a 'Neo Terra' tag

Health, green chemistry, food industry, aeronautics & space, transport, etc.
